RE: Statement of Support for Employer Support of the Guard and Reserves (ESGR)

Dear Florida League of Cities Members,

On behalf of the Florida ESGR Committee it is my honor to thank you for your outstanding participation and support of ESGR's Statement of Support (SOS) program. The Florida League of Cities (FLC) unanimously passed a resolution in support of this effort at their 15 August Annual Conference in Orlando and your effort and support resulted in Florida becoming the **FIRST** state in the nation to have **100%** of the FLC membership executing the Statement of Support. This is a major milestone and sets the example for the rest of the nation to follow. We are confident the rest of the League of Cities across the nation will follow your lead. The FLC leadership will be assisting the other League of Cities to match what you have accomplished.

ESGR is a Department of Defense Organization and its committee members volunteer their time in support of the men and women of the National Guard and Reserves, their families and employers. ESGR provides free education, consultation and if necessary mediation for employers of Guard and Reserve employees. ESGR's goal is to support America's employers who share their employees with the nation to ensure our national security.

Your League President, Mayor John R. Marks, III sent a letter to everyone announcing this effort and initiated steps for the FL ESGR Committee to complete the application process for all of the members that desired to participate. The registration for all 410 members of the Florida League Cities was completed on 07 October. As of this date, you became a SOS member and part of the First state to reach the 100% mark.

You will find enclosed the SOS with the name of your City/Town printed and ready for signature by the official of your choice. We recommend you sign this upon receipt. The Florida ESGR Committee is offering to participate with as many as possible of the 410 FLC members in a formal presentation of the SOS during a Commission Meeting or other venue of your choosing. We have participated in a number of these presentations in the past and they are hugely rewarding for all concerned. In fact, we presented the first of the 410 SOSs to your President Mayor Marks and the City of Tallahassee on 07 October. It was great event and covered by media which spread the word of the selfless service of these Reservists and their Families and how the City of Tallahassee has committed itself to supporting these great American Patriots.

When we do the SOS presentation, we like to have the Cities/Towns invite all of their Employees that are members of the Reserve Components to participate along with their spouses to be recognized and honored for their service. We also give the Commissioners the opportunity to sign a SOS during the presentation and offer the audience the opportunity to join the City/Town and Commissioners in signing a SOS for their companies. The SOS presentation enhances the community and businesses awareness and support for the Men and Women of the Guard and Reserves.

If you would like to have a FL ESGR Committee member participate in your SOS presentation, please send us an email request at FL.SOS@floridaesgr.com. Please include your point of contact, email address, phone numbers and possible ceremony dates, so we can work together to schedule a date and time.

I know many of you executed the SOS in the past and we thank you for your support. We are registering you again as a reconfirming of your support and encouraging you to participate in a formal presentation of this new SOS to emphasize your patriotic commitment and to encourage others businesses and organizations in your community to follow your leadership.

If you would like to script a Resolution, we have enclosed a recent one by Mayor Don Slesnick of Coral Gables. A resolution is not required, but it certainly adds additional emphasis to the Event.

You can view state listing of SOS signers at the ESGR Web site, www.esgr.mil; click on "Programs" near the top center of the page and then click on "Statement of Support." Choose the state of Florida on the map of the U.S. and a list of SOS supporters will appear.

On behalf of the men and women serving in the National Guard and Reserves, their families, employers and the Florida ESGR Committee, I want to thank you for your outstanding commitment and support as community leaders. You are number one in our book and lead by example.

Sincerely,

Phillip Speake
Chairman FL ESGR

TOWN of LAUDERDALE-by-the-SEA

We recognize the National Guard and Reserve are essential to the strength of our nation and the well-being of our communities.
